

Daraz Pakistan — Customer Support Knowledge Base

This is a structured summary of Daraz Pakistan's official customer-support entry points, accessed on 19 September 2026.

OFFICIAL SUPPORT ROUTES

- Daraz provides a Help Center for common customer questions.
- The official Contact Us page provides an order-tracking route.
- Customers can use the Online Return Form to start an eligible return.
- Customers can use the Online Cancellation Form for applicable cancellations.
- Daraz also provides a Returns & Refunds section and other help resources.

KNOWLEDGE-ASSISTANT WORKFLOW

1. Identify the user's issue: delivery, return, refund, payment, seller or general support.
2. Retrieve the relevant current policy.
3. Check category-specific exclusions and deadlines.
4. Give the official next action.
5. For an order-specific problem, direct the customer to Daraz's official support/Help Center rather than inventing a resolution.
