

Daraz Pakistan — Delivery & Order Processing Knowledge Base

This is a structured summary of current publicly published Daraz Pakistan terms and buyer rules, accessed on 19 September 2026.

ORDER PROCESSING

- Product prices and availability are displayed by sellers and can change before purchase.
- Daraz's terms explain that delivery/order-processing timelines can depend on circumstances and service providers.
- Customers should provide a complete and valid shipping address.

DELIVERY / BUYER RULE

- Daraz's Buyer Policy says buyers should not reject delivery simply because a product appears defective or incorrect.
- The stated approach is to accept the delivery and use Daraz's return process for an eligible issue.
- Customers can use Daraz's tracking tools to obtain order-status information.

FULFILMENT

- Daraz's Marketplace Agreement defines fulfilment concepts including Dropship and Daraz Express.
- Seller responsibilities can differ according to the applicable fulfilment model and platform policies.

REJECTED / RETURNED PRODUCTS

- The Marketplace Agreement contains rules concerning rejected products, returned products and fulfilment-center quality checks.
