

Daraz Pakistan — Payments Knowledge Base

This is a structured summary of Daraz Pakistan's publicly published payment-related terms, accessed on 19 September 2026.

CUSTOMER PAYMENTS

- Daraz provides multiple payment options, including Cash on Delivery and digital payment methods.
- Daraz's Buyer Policy states that transactions and payments originating from Daraz should be completed within the Daraz platform.
- The Buyer Policy also states that buyers should not move transactions or payments offline with other users.

SELLER PAYOUTS

- Under the Marketplace Agreement, Daraz can receive and process customer payments on behalf of sellers.
- Seller payouts are subject to applicable commissions, service fees, penalties or other amounts that may be due under the agreement.
- The Marketplace Agreement describes payment to the seller's specified bank account.
- Seller payment information is available through Seller Center.

REFUNDS

- Eligible customer refunds can be returned through the applicable refund method.
- The refund policy provides different timelines for different payment methods.

SECURITY

- Daraz's purchase-protection information states that payment and customer information are handled through its payment/security systems.
